

Progress Report

Name: Lei Zhao
Course: Classification Methods with Machine Learning
Progress: **100%** complete (as of 30 January 2026)

Chapters

1. Introduction **100%**
2. k-Nearest Neighbor Classification **100%**
3. Classification Trees **100%**
4. Naive Bayes Classification **100%**
5. Discriminant Analysis **100%**
6. Support Vector Machine Models **100%**
7. Ensemble Learning **100%**
8. Classification with Neural Networks **100%**
9. Conclusion **100%**
