

Progress Report

Name: Lei Zhao
Course: Filter Design and Analysis Methods
Progress: **100%** complete (as of 10 February 2026)

Chapters

1. Introduction **100%**
2. Design a Filter from Specifications **100%**
3. Filter Design Methods **100%**
4. Filter Analysis **100%**
5. Arbitrary Response Filter Design and Analysis **100%**
6. Filter Stability **100%**
7. Conclusion **100%**
