

## Progress Report

**Name:** Lei Zhao

**Course:** Stateflow Onramp

**Progress:** **100%** complete (as of 23 December 2025)

### Chapters

- |                                                        |                            |
|--------------------------------------------------------|----------------------------|
| 1. Course Overview <b>100%</b>                         | 12. Conclusion <b>100%</b> |
| 2. State Machines and Stateflow <b>100%</b>            |                            |
| 3. Creating State Charts <b>100%</b>                   |                            |
| 4. Stateflow Symbols and Data <b>100%</b>              |                            |
| 5. Chart Actions <b>100%</b>                           |                            |
| 6. Chart Execution <b>100%</b>                         |                            |
| 7. Project - Robotic Vacuum <b>100%</b>                |                            |
| 8. Flow Charts <b>100%</b>                             |                            |
| 9. Functions in Stateflow <b>100%</b>                  |                            |
| 10. Chart Hierarchy <b>100%</b>                        |                            |
| 11. Project - Robotic Vacuum Driving Modes <b>100%</b> |                            |
